Cruise Itinerary:

The itinerary will be a seven day circle cruise which starts and ends in Vancouver. There will be stops in Ketchikan, Juneau and either Skagway or Sitka. The cruise lines alternate Skagway and Sitka from year to year.

If we stop in Skagway we can look at doing the White Pass – Yukon train excursion while we're in port. If we stop in [Sitka](#) we will enjoy the Russian influence in the town.

One day is spent cruising through [Glacier National Park](#) which is absolutely beautiful. The first and last days of the cruise are “at sea” days as we travel between [Alaska](#) and Vancouver.

The scenery is breathtaking. Doing the circle tour makes our cruise to and from Vancouver travel more interesting and the planning much easier.

Cost:

Based on this years cost it should be about \$1000.00 per person for an inside stateroom and could go as high as \$3000.00 for a suite. There are many arrangements in between. All fares are based on double occupancy and include food, port fees and fuel surcharge. With a 3rd and/or 4th person in a room the fare will be 25-30% of the regular fare. Full payment is due 75 days before the cruise. We have a group rate on the cruise and the more rooms we book the better deal we'll get.

There is an \$11.00 per day tipping policy for a total of \$77.00 per person

There will be an opportunity to buy cancellation insurance from the Company. This is always a good idea since we never know what will happen
